RE: Raoul Wallenberg, my inquiry
dated August 12, 1985

Dear Mr. Gorbachev:

Please accept a copy of my inquiry about Mr. Raoul Wallenberg dated August 12, 1985.

May I suggest that you still are investigating this case since word came out after the summit with President Reagan last November

I fully appreciate your busy schedule, but would be very grateful for your reply to my plea for Mr. Wallenberg's whereabouts since he was indicted by Soviet military forces in Budapest, January, 1945.

Mr. Gorbachev, anything you can do to solve this old international case would be appreciated not only by Mr. Wallenberg's family, but by millions of people throughout Western Europe and the U.S.A.

Please make 1986 the year we all can be proud of.

Sincerely,

Dan L. Jonson
